INFOCOMM 2024: June 11-14 LAS VEGAS!!!

JOIN AVI SYSTEMS FOR ALL THINGS MODERN WORK

Exhibit Floor

AVI Systems has InfoComm covered. Visit us in Booth C7087!

The AVI Systems' booth (C7087) is bigger than ever and features Modern Workplace solutions for organizations of every size and type! Plan now to meet an AVI representative, tour our booth and visit some of our technology partners on the show floor! Spend time seeing our newest solutions including:

- **STORYTELLING EXPERIENCE** (using customized software and technology to enhance your customer experience center)

- **MODERN WORKPLACE EXPERIENCE** (the newest technologies for employee collaboration)

- **ENGAGEMENT EXPERIENCE** (high production value broadcast technologies for all-hands meetings and executive interviews)

- **WORKPLACE COMMUNICATION EXPERIENCE** (digital signage and much more!)

See the technology solutions and meet with our Enterprise AV, Unified Collaboration, Digital Media and Broadcast Solution Practice directors who will answer your questions.

Visit the Sony booth (W2201) to see our Velocity Classic meeting room solution!

InfoComm/AVI Systems Esports Live 2.0 Venue (C9771)

At the all-new Esports Live Venue at InfoComm, watch as collegiate teams battle it out on the show floor in heart-pumping matches showcasing the latest industry reference design. Experience the future of gaming firsthand and feel the electricity in the air and the energy of the crowd. Join us to experience the excitement and discover the world of collegiate esports.

This venue showcases four key technology stages with proven designs that produce the high-impact experience that collegiate esports teams are seeking, without the costs and dependence on professional production teams.

Presenting Sponsor: AVI SYSTEMS

More AVI Systems Experiences

An Evening at The Sphere
(Tuesday, June 11, 6 to 9 p.m.)

As Presenting Sponsor, AVI Systems has a limited number of tickets for its customers and prospective customers. Attendees at this reception will be part of a two-hour reception and see Darren Aronofsky's, "Postcard from Earth," a one-hour multi-sensory cinematic experience – in the main venue bowl.

You will learn more about the technology behind the Sphere, chat with interactive robots, view holographic art installations and see some amazing 22nd century technologies. You'll be talking about this exclusive reception for months afterwards.

AVI | GPA Reception at Ole Red Area Rooftop

3627 South Las Vegas Boulevard, Las Vegas, NV 89109 (Tuesday, June 11, 7 p.m. - 10 p.m.)

Join the AVI Systems and GPA team as we celebrate the start of InfoComm 2024 in style. Enjoy great food and beverage in the VIP space at Ole Red, the newest honkey-tonk bar on the Las Vegas strip! AVI customers, prospective new customers and technology solution providers are all invited!

Relax with Us in the AVI | GPA Global Lounge (N242)
